But God demonstrates His own love for us in this: While we were still sinners, Christ died for us.

Romans 5:8

For God did not send His Son into the world to condemn the world, but to save the world through Him.

John 3:17

As 2021 draws to a close, we can't help but reflect on what an amazing journey these last few years have been.

We have had the privilege of watching God work in so many ways. Not just in our lives and in this ministry, but in our client's lives as well.

Over the last few years, we have had the privilege of giving away about \$150,000 in labor, repairing over 200 vehicles for those in need, and giving away 21 vehicles.

Never in our wildest dreams could we have imagined how fast God was going to grow this ministry, or how many people He would touch through it!

Truthfully, vehicle repair is the least important part of what we do. Yes, we fix our clients cars. It's a simple act of service that shows them that we care. However, our main goal is to show them who Jesus really is.

Many of our clients view Jesus the same way that pop-culture views Him, or they judge Him based on negative interactions that they have had with "Christians".

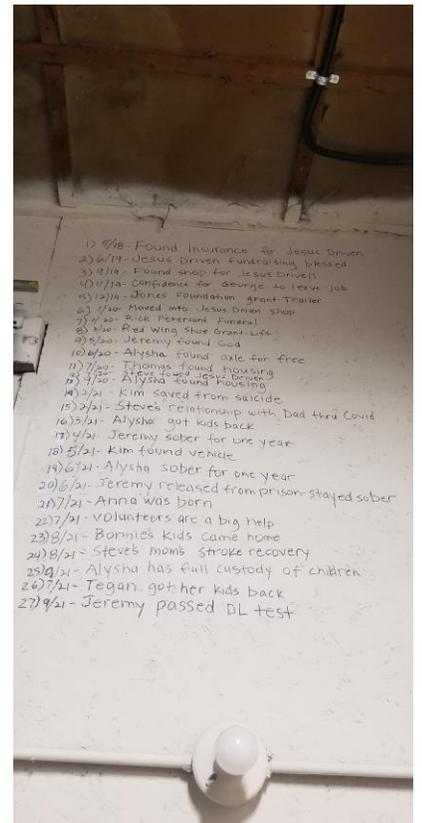

Judgmental, irrelevant, and boring come to mind. They are often embarrassed and think that they are too far gone, wanting to clean up before coming to Jesus.

We are trying to show our clients that Jesus is not defined by someone who mistreated them in His name or how He is described in pop-culture. We are encouraging them to explore what the Bible says about Jesus so that they can learn who Jesus is for themselves!

Please join us in praying not only for us as we try to share the truth with each of our clients, but pray for our clients as well! Only God can change their hearts. He hears our prayers, so don't forget our clients in your prayers! If there is

one thing that we need the most from you, it's your prayers!

We are so grateful, not only to God, but to each of you. You have all been so encouraging and supportive. Each of you has played a major role in this organization since day one. Without your prayers and support, this ministry simply wouldn't be possible.
