Therefore I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours.

Mark 11:24

God has been moving within and through Jesus Driven! Some days and weeks are slower than others, but we are continually blown away by God's faithfulness. He continues to show how He is working in our clients' hearts and lives!

Prayer continues to be our best weapon for successfully sharing the Gospel. Our client meetings are more engaging, car repairs go more smoothly, and the work is just better in general.

Amber has been handling the majority of client meetings since she started in May. She now meets regularly with three clients and is studying God's word on a weekly basis with two of these clients. She has built so many relationships in such a short time!

In one meeting, with Gayle, Amber was able to ask thought provoking questions about faith and where people's morality comes from. I could see Gayle thinking during the meeting. I haven't been able to meet with Gayle on a regular basis

due to her schedule, but we continue to pray that seeds were planted for a future relationship with Jesus.

During another client meeting with Sarah, I was talking about the discouragement she felt due to all of the negative events surrounding us and the constant bombardment of bad news. We talked about how we don't need to be afraid and give all of our worries back to God. After all, the Bible has already told us what is going to happen. Jesus is coming back!

Luke 21:27 says "At that time they will see the Son of Man coming in a cloud with power and great glory. When these things begin to take place, stand up and lift up your heads, because your redemption is drawing near."

The meeting ended and I didn't think anything of that interaction. It was just another meeting. The next day, though, Sarah was at the shop getting her car diagnosed,

and she was intentional to tell us that this reminder about Jesus was just what she needed. Her perspective had changed and she was encouraged!

Without prayer and God's prompting, we wouldn't have known what to say to Sarah or Gayle during our meetings with them.

Please join us in praying for our clients and our interactions with them! Pray that the Holy Spirit would prepare our clients hearts, and that He would give us the words to reach them.
