They devoted themselves to the apostles' teaching and to the fellowship, to the breaking of bread and to prayer. Everyone was filled with awe, and many wonders and miraculous signs were done by the apostles. All the believers were together and had everything in common. Selling their possessions and goods, they gave to anyone as he had need. Every day they continued to meet together in the temple courts. They broke bread in their homes and ate together with glad and sincere hearts, praising God and enjoying the favor of all the people. And the Lord added to their number daily those who were being saved.

Acts 2:42-47

We recently had a fundraiser at our local Applebee's. Saying that we were overwhelmed by the number of people that came out to support us would be an understatement. The place was absolutely packed! It felt like a huge family dinner, not a restaurant. The staff was completely caught off guard by the number of people who showed up on a snowy Thursday night. When our waitress apologized for the wait, we apologized as well, informing her that it was sort of our fault that it was so busy that night. Her face lit up and she reminded us that we had helped her and several of her co-workers with their cars.

Truthfully, it was a much-needed event for us, not nearly as much financially as spiritually. While we know that we aren't alone in the ministry that God has called us to,

sometimes it can be easy to forget how many people pray for and support us. The staff, many of whom are former clients of ours, were cheerful and eager to help us raise money, despite being so overwhelmed and busy. It was so encouraging to see friends from church, former jobs, and the community come out to show their support. It was a reminder that although we may handle the day-to-day duties at Jesus Driven, it really does take an entire community of people to run this ministry.

The community of believers described in the 2nd chapter of Acts comes to mind when I reflect on what I saw the other night. All

that I can hope and pray is that we go out to serve and share the Gospel with the same vigor that we broke bread together with.

Please join us in praying for our clients and for the future of Jesus Driven. We can feel God preparing us for something big, we just aren't sure what that is yet! It is exciting, but also difficult to wait for Him to reveal His plan. We are eagerly awaiting whatever next steps that He has waiting for us!

Thank you all for your support, whether you came out to Applebee's or not! Your prayers and encouragement are truly invaluable to this ministry.
